

Dear

Thank you for choosing \_\_\_\_\_. We are EXCITED about helping you enjoy life again without the painful symptoms of peripheral neuropathy!

We currently have you scheduled on

NOTE: We do our very best to stay on schedule. The therapist, the nurse, and the exam room all have about 30 minutes reserved just for your use. To keep you and the other patients on schedule,

**we recommend that you arrive at least 10 minutes before your scheduled appointment time.** We promise to do our very best to have you with the therapist within 10 minutes of your scheduled appointment time.

We have enclosed the new patient paperwork. Please bring it to your appointment already completed.

**If you need to reschedule or cancel your consultation, as a courtesy, please call us 24 hours before your scheduled appointment time.**

Thank you again for choosing \_\_\_\_\_ to help you and we look forward to meeting you soon!

Yours in health,

P.S. Don't forget to bring the following items to your appointment:

- List of current medications
- Photo ID or Government ID
- New Patient Completed Paperwork
